Yud Shvat: Focusing on *davening*, every *talmid* was eligible to receive Hachanah I'Yud Shvat cards for looking inside, saying every word, and being involved in the Shachris and Mincha *davening*. Many *talmidim* bettered their *davening* due to the program. More than 3,000 cards were distributed and will be entered into a raffle.

Milim Program: We launched the Milim initiative, where *talmidim* receive 15 Gemara words every 3 weeks, to learn the translation and acronyms. This eases the transition for Gemara starters. Our first test was a great success, many *talmidim* passing with high marks.

Hei Teves: This victorious day began with the opportunity to take part in a *farbrengen*. The tables were set the way they are in 770, with a video of the Rebbe showing front and center. The *talmidim* enjoyed an exhibition of the older Seforim of the Rabbeim, followed by a beautiful Book Fair in the Chasunah Hall.

Development Office

The Development Office exists to ensure that the Yeshiva has a secure financial underpinning so that every *melamed*, *talmid* and family has an optimal experience. Over the past years, the Board of Directors have streamlined the Office, upgrading its systems and expanding its potential. **Highlight:** Annual Raffle was a huge success!

Beis Medrash, Shiurim 1-2

Built on self-motivation and discipline, entering Zal is a new phase in a *bochur*'s life. To help ease the transition, the Board of Directors instituted Shiur Alef and Beis as its own Department, with its own *hanhola* and curriculum. In its fourth year, the program has proven to be tremendously beneficial.

Unique Features

- Ach Godol mentorship pairing older and younger *bochurim*;
- Young Jewish Leaders facilitating Mivztotim routes;
- Father & Son Events, such as 19 Kislev and "Tzeischem l'Sholom";
- Guest Shluchim, Chassidim *farbreng*, teach and enrich the daily routine.

Mesivta

Yud Shvat: Mivtza Yud Shvat was a huge success. Mesivta bochurim learnt Basi Legani by heart, took upon themselves *hachlatas toivos* to add in *chassidishkeit*, and were rewarded with a trip. 90% of the yeshiva was involved.

Davening: The entire Mesivta focuses on *peirush hamilos* of a *chelek* of davening every week.

Yud Tes Kislev: Shiur Gimmel bochurim organized the Yud Tes Kislev *farbrengen* for the whole Mesivta by themselves, preparing and setting up the room. They also prepared and published an exclusive *tshura*.

Purim: twice-weekly leading up to Purim, bochurim listen, study, and follow inside the Rebbe's Purim Tof Shin Chai *farbrengen*.

Gilyun Pnimi Kovetz Haores:

Bochurim research and compose their *chidushim*, which are then published weekly in this trailblazing Mesivta publication. In its second year, the Kovetz is written, edited, and produced by bochurim in yeshiva for bochurim in the yeshiva. The Kovetz is also distributed to other Yeshivos and around the Crown Heights community.

INTRODUCING *INTENTION*

The Rebbe illuminates the name "Oholei Torah" as being predicated upon and an extension of the original "tents of Torah" of Shem and Ever. As its name hints, *INTENTION* is a monthly glimpse into the tents of Torah of Oholei Torah. Each volume of *INTENTION* features different departments within the greater institution. As its title also implies, *INTENTION* will do so with the *Kavana, intention* of bringing the internal wonder and beauty of Oholei Torah to the greater world.
